Buenas noches Pete! Thanks again for your support in gathering your input to our draft comment letter to USACE regarding the Limetree Terminal CWA Permit Public Notice.

As requested, here is amended draft letter integrating your comments and ideas. We also integrated additional comments and input from CWD, CASD, and ORC.

I appreciate if you may review this version and let us know if you have any other additional comments and suggestions.

The letter is due this Friday, December 29 so once we receive your comments, we will go through the concurrence process with these three Divisions. Please do not hesitate to contact me should you have any questions or need any additional information.

Thanks,
Carmen
